# NEW WRITINGS

# NEW MEDIAS

[www.multimediamed-cmca.org](http://www.multimediamed-cmca.org)

## ■ INTENDED AUDIENCE

Journalists and professionals coming from all departments of CMCA televisions members, with at least 3 years experience and interest in new technologies.

## ■ TRAINING OBJECTIVES

- A good knowledge about the evolution of new media practices
- A better understanding of today's digital tools
- To learn the different media supports
- To contribute to the development of the Marseille-Multimedia-Mediterranean web-documentary

## ■ PROJET DESCRIPTION

The New Writings and New Media workshop aims to train journalists in new narrative forms, to introduce them to the new writing techniques of web-documentary and its derivatives. The trainees will contribute to the creation and development of the contents of the web-documentary «Marseille-Multimedia-Mediterranean». The idea, in the long term, is to create an interactive cartography of the main Mediterranean metropolises. During the training, the journalists will work on the districts of their cities. The topics will be validated and added to the web-documentary by the CMCA.
